

What is coming thru the PRESS...

Apprehending Our Hebraic Roots...

- **Why?**
 - Because we have strayed very far from His blueprint.
- **Why?**
 - Because Ruach is wooing us to apprehend our unpolluted DNA that is within us
- **Why?**
 - Because He wants us to come in line with His cycle of time
- **Why?**
 - Because He wants to spoil His bride with His great love, provision, fulfillment, success, etc.

The Ecclesia

Hebraic Roots

- Tapping into YAH's DNA in individual lives
- Embracing the Torah as the foundation of all that we believe
- Embracing the 'whole' Torah – The whole Bible
- Accepting the Old Testament as more than history
- Capture 'The Living Torah' to our heart as He walks with us through the Torah

Messianic

- Combining the old and the new together wanting to make a whole
- What does the Ecclesia look like?
- How does The Ecclesia function?
- What is the purpose of The Ecclesia?

Gleaning from the Old and New

The Tanack

- Identity
- Made in the image of Elohiym (father, mother, child(ren)) – the ability to reproduce children who are the fruit of the womb

The New Testament

- Fullness of the Godhead bodily
- Infilling of Holy Spirit (Ruach) – the ability to reproduce spiritual children for the Kingdom of YHVH

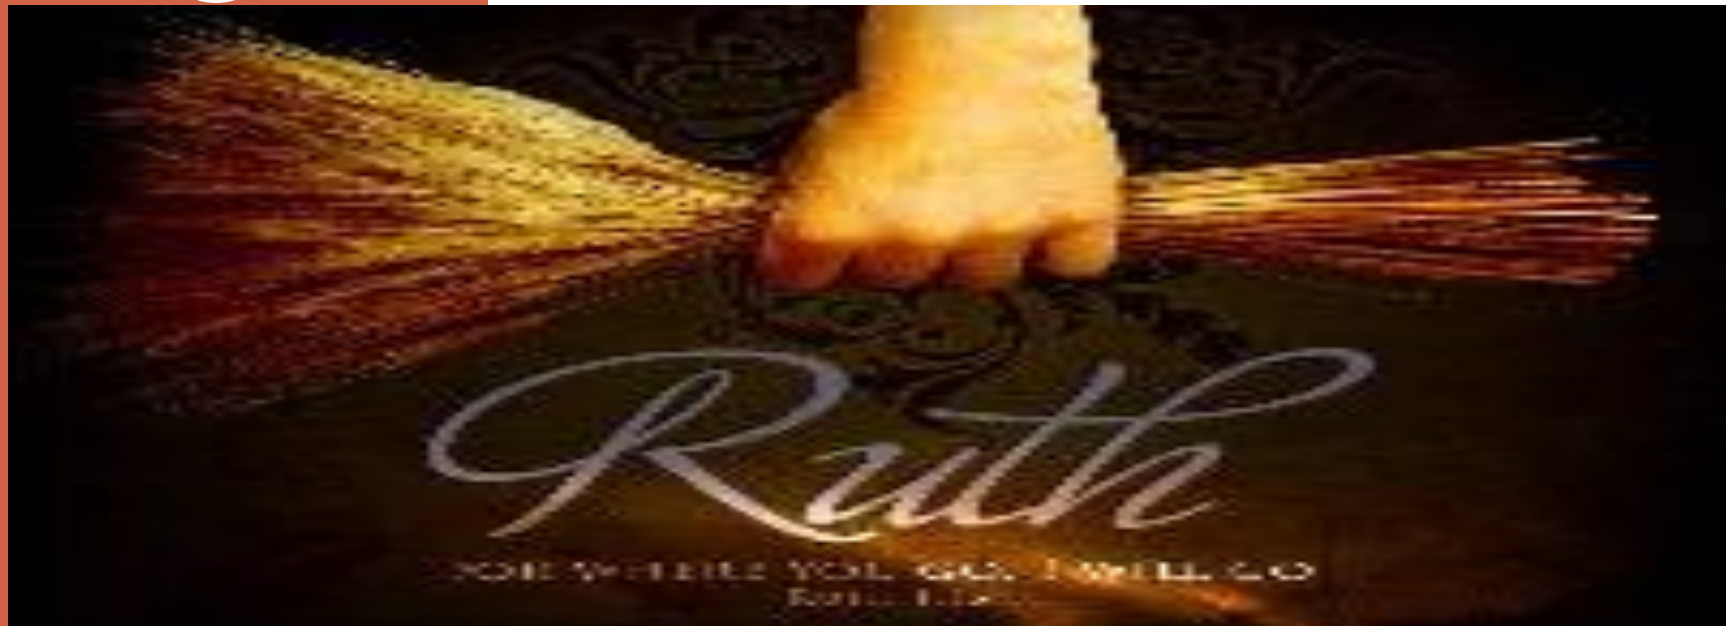

Two completely different looks...

Judaism and the Early Church

- Old Testament guidelines did not change – some were fulfilled
- It does not say that the disciples forsook their foundational/core beliefs

Christianity and the Western World

- The first day of the week is observed as Sunday thanks to the erroneous influence of Constantine, Catholicism, and persecution of the original early church
- Paganism was substituted for YHVH's commands

Ruth – a stranger in the land

Is Ruth a symbol of the Christian coming into the strange land of the Hebrews?

Are we unlearning religion and relearning Biblical principles?

What is necessary for us to embrace in this new knowledge? What is not?

Nothing much is familiar...

- What does a multigenerational, multicultural church look like?
- Begin, if you haven't yet, to shake off the familiar.
- Visualize that everyone and everything that YAH created has purpose in the plan of YAH.
- Take back the original purpose of all things, including yourself.
